It was truly a wonderful and enriching experience to witness the beautifully curated programme by Meenal Nigam ji. The seamless blending of meditation, bhajan and kirtan created a deeply uplifting and immersive atmosphere for everyone present.

Meenal ji's energy throughout the session was simply remarkable. Leading the programme single-handedly for over two and a half hours with such enthusiasm and dedication is truly commendable. Her clarity of speech, modulation of voice and her natural ability to engage the audience made the entire experience even more meaningful and memorable. Added to it were the beautiful dance performances by Ms Gargi and her students.
