Dear KKS Members,

We are delighted to announce the **KKS Annual Merit & Excellence Award Winners for FY 2025–26** and extend our **heartiest congratulations and warmest wishes to all the awardees**! The KKS Annual Awards are a cherished initiative through which **Karnataka Kayastha Samaj (KKS)** recognises, celebrates, and encourages individuals whose achievements, contributions, and commitment exemplify the values our community stands for.

Celebrating Excellence: "Excellence is not a destination; it is the result of consistently choosing to give your best."

The **KKS Annual Excellence Awards** honour individuals who have made **outstanding contributions towards advancing the mission, values and spirit of KKS**. These awards recognise not merely an achievement, but the **dedication, perseverance, leadership and positive influence** behind it. Each recipient represents a story of commitment and purpose—demonstrating how individual excellence can create a meaningful impact on the **KKS family, the Kayastha community and society at large**.

Celebrating Merit: "When we recognise merit today, we inspire excellence for tomorrow."

KKS has also been felicitating **meritorious students** as part of its commitment to nurturing talent and encouraging the next generation. The annual cash awards are made from the **interest earned on dedicated funds contributed by generous Donors**, with each award presented under categories specified by the respective Donors. This beautiful model of giving ensures that the generosity of our community continues to **create opportunities, inspire young minds and reward academic and creative excellence year after year**.

Congratulations to All Our Winners!

The FY 2025–26 awardees have demonstrated that **achievement becomes truly meaningful when it inspires others**. Their accomplishments are a source of immense pride for KKS and reaffirm the strength of our community's values—**excellence, service, perseverance, compassion and giving back**.

We congratulate **every winner** and applaud their remarkable accomplishments. We also acknowledge the families, mentors, teachers, colleagues and well-wishers whose encouragement and support have played an important role in their journey.

A special appreciation goes to all the **KKS Members who submitted nominations and shared their valuable suggestions**, helping KKS identify and celebrate deserving achievers.

A Celebration of Our Collective Spirit

Awards are not merely about trophies, certificates or recognition. They are about **stories that deserve to be told, journeys that deserve to be celebrated, and achievements that deserve to inspire**. As KKS continues its journey of **"Sabka Vikas, KKS Ka Prayas,"** we remain committed to creating a culture where **merit is encouraged, excellence is celebrated, contribution is recognised, and every achievement becomes an inspiration for someone else**.

Once again, **heartiest congratulations to all the KKS Annual Merit & Excellence Award Winners for FY 2025–26!** May your achievements inspire many more, and may you continue to **Excel, Empower and Inspire**.

Gratitude

"Excellence is not about being the best; it is about giving your best in a way that makes a difference."

The **KKS Annual Excellence Awards** are a distinguished recognition of individuals who have demonstrated **exceptional commitment, meaningful contribution and exemplary service** towards advancing the mission, vision and values of the **Karnataka Kayastha Samaj (KKS)**. These awards celebrate individuals whose efforts go beyond personal achievement—those who have **made a positive difference, inspired others, strengthened the KKS community and contributed to the betterment of society**. They acknowledge the spirit of **service, dedication, leadership, excellence, integrity and compassion** that reflects the core values of KKS. The awards recognise that true excellence is not measured merely by accomplishments, positions or accolades, but by the **positive impact one creates through one's knowledge, actions, leadership and commitment to the community**. They honour individuals who have demonstrated the courage to contribute, the passion to make a difference and the willingness to serve as role models for others.

Through these awards, KKS seeks to **celebrate excellence, encourage meaningful participation and inspire a culture of giving back**. The achievements of the awardees serve as a source of motivation for the younger generation and remind us that every individual, through sincere effort and purposeful action, can contribute to building a stronger, more connected and socially responsible community.

The recognition also reflects KKS's commitment to **identifying, appreciating and showcasing exemplary contributions**—whether through professional excellence, community service, social initiatives, education, empowerment, leadership, innovation or other meaningful endeavours that bring pride to the Kayastha community and society at large. More than an award, this recognition is a **symbol of trust, appreciation and gratitude** from the KKS family. It honours the recipient's journey of contribution and serves as an inspiration for others to step forward, make a difference and uphold the timeless values of **community, service and social responsibility**.

The KKS Annual Excellence Awards celebrate not just what one has achieved, but the difference one has made—and the inspiration one leaves behind for others to follow.

With immense pride and best wishes,

Explanatory Notes

This is an International General Certificate of Secondary Education (IGCSE) Statement of Results. Cambridge University Press & Assessment (Cambridge) reserves the right to amend the information on this statement. Results will be confirmed by the issue of a certificate.

IGCSE results are reported on an 8-point scale of grades: A*(a*), A(a), B(b), C(c), D(d), E(e), F(f) or G(g), grade A*(a*) being the highest and grade G(g) the lowest. UNGRADED indicates a standard below that required for grade G(g).

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a decision not to issue a result for some other reason.

PENDING indicates that a result cannot be issued at present but will follow in due course.

In some IGCSE syllabuses, Oral/Aural (Speaking & Listening) communication is reported separately on a 5-point numerical scale, grade 1(ONE) being the highest and grade X(FIVE) the lowest. Candidates who fail to reach the minimum standard for grade X(FIVE) will not receive an Oral/Aural (Speaking & Listening) communication endorsement.
The endorsement grade for Oral/Aural (Speaking & Listening) communication will be reported on certificates provided the overall IGCSE syllabus result is grade G(g) or higher.

For English as a Second Language 0510, Speaking is compulsory and is reported separately.

The Percentage Uniform Mark is provided in addition to the grade for a syllabus. The Percentage Uniform Mark is not the total mark achieved for the syllabus. It is a common scale for all syllabuses to show whether the candidate's performance is close to the top, bottom or middle of the grade. A Percentage Uniform Mark is not provided where the candidate's result is Ungraded, No Result, or Pending.

Only grades A*(a*) to G(g) achieved in IGCSE syllabuses will be reported on the certificate.
